11TH ANNUAL SHOWCASE OF HOMES

LIVE LIFE WELL®

Join us for our **11th Annual Live Life Well®** event! The weekend of October 22nd – October 24th, with some of our favorite vendors to help you experience how to “Live Life Well” setup on October 23rd at our Oak Hill Model Home (1237 Monroe Hill Circle West, Collierville, TN 38017). Special incentives may be applicable if an agreement is written during the event weekend! We’re so excited to see you!

The Cove

Villages of Saunders Creek

Cypress Grove

RE + NEW + ALL

BUILDING PROCESS

- Select desired community, home site, and floor plan along with any customizations, structural or luxury finish options!
- Sign agreement and present deposit and pre-approval letter from lender or proof of funds.
- The New Home Design Specialist will reach out to schedule appointments at the Magnolia Homes Design Center!
- Review the Welcome to the Magnolia Homes Design Center information and prepare Exterior Home Selections Worksheet.
- During this time, the Magnolia team is working behind the scenes preparing for the new home build including sending the plans to the Town for permitting!
- Pre-Construction meeting scheduled within 45 days to review final plans and home details prior to the foundation being poured!
- Following the home framing completion, an electrical walkthrough will be scheduled!
- Construction on the home will continue and final Design Selections decisions will be completed at the Magnolia Homes Design Center!
- BuilderTrend® system reflects Change Order details, payments, and progress updates on the building process throughout!
- A New Home Orientation will be scheduled prior to closing to introduce the homebuyer to their new home in detail!
- Closing on new Magnolia Home takes place!

Our QBW® 10-year limited warranty gives you peace of mind that the largest investment of your lifetime is protected for 10 years. Pella® Windows with Low-E Advanced Glass & Argon Gas are low-maintenance vinyl framed windows, meaning no more painting. Magnolia Homes' Real Tyvek® house wraps include taped joints and tape around windows. This helps prevent intrusion of outside water and helps seal the home, reducing utility bills year-round and saving you money. Cement-based James Hardie® exterior trim is the standard for our homes, reducing termite, rot, and fire concerns along with much cost savings down the road. And much more! Learn more at yourmagnoliahome.com.

MAGNOLIA DIFFERENCE

At Magnolia Homes, we are more than a luxury home builder. We are committed to the design and personalized features that reflect your distinctive taste and make your home as unique as you. We pledge our attention to craftsmanship, originality, superior materials, and dedication to your total satisfaction.

THE DIFFERENCE

- 1 Amana® AC manufacturer warranty
- 2 Amenities in community
- 3 European round downspouts on front of homes
- 4 Copper flashing where brick is
- 5 (Included) Air seal foam insulation around windows and exterior doors and (Optional) ½" flash coat foam insulation on exterior walls
- 6 R-30 insulation blown into ceilings and vaults
- 7 All James Hardie® exterior trim
- 8 Pella® windows with Low-E advanced glass and argon gas
- 9 James Hardie® board siding
- 10 Insulated garage doors with belt-driven motors
- 11 Covered rear porches with ceiling fans
- 12 Fully landscaped & one year of lawn treatment

EXTERIOR
